DESCRIPTION	PRICE
We can either get a designer and pay him about 150k to 200k Naira to design something or buy a theme online for \$60 that is already built	200k or \$60
For the development Of the Web Page both the font-end Developer and the back-end Developer to make it functional and user friendly, the fee would be 200k	N 200,000
Domain Online for Your Web Page Placement It's Going To Be Yearly Or Monthly This allows your site to stay online and people can search for it You can either pay monthly or yearly. A month is about \$6 so a year will be about \$72	Flexible and u can do it anytime doesn't need to be now

So rough estimate should be around 350k to 400k naira to get the website up and running	
TOTAL	N 350,000

Payment should be made to this account provided below:
0045996792
Unionbank
casmir456@gmail.com.
Nice doing business thankyou .
